3rd RALLY CATALUNYA HISTÒRIC

From 1 to 2 March 2019, the RACC organises the 3rd Rally Catalunya Històric, a two-day regularity race on closed roads, with start and finish in Barcelona.

The RACC provides coverage and top quality services to meet the needs of more than 10 million people anywhere in the world. It specialises in personal, family, mechanical, urgent medical and household assistance services, and operates the biggest driving school network in Spain. To meet the needs of its members, it makes 900,000 call-outs a year and manages over 600,000 insurance policies of various types.

The RACC promotes a new culture of mobility that is safer and more environmentally friendly. In the motor sport world it supports young drivers by fostering competitive skills and the human values inherent in sport. It also enjoys international recognition as the only organiser in the world of four events that count towards world championship rankings: Formula 1, Moto GP, the World Rally Championship and Rallycross.
